

Environmental Policy Statement

Russell Leisure Ltd (trading as Russell Play) are specialist consultants in playground design and suppliers of high quality play and sports equipment. We are committed to achieving and maintaining the highest standards of professionalism, including advising on layout design and cost-effective solutions in order to meet or exceed the best expectations of our clients. We shall ensure that our operations and activities are managed in an energy and resource efficient manner, in order to minimise detrimental impacts on the environment.

Our Management System complies with the requirements of BS EN ISO 14001:2015 and the Company's environmental systems have been assessed and approved by Facilitators Quality Management. The Board of Russell Leisure Ltd is responsible for implementing the Policy.

The Environmental Objectives of Russell Leisure Ltd are to:

- Continually improve our environmental performance
- Contribute to economic, environmental and social sustainability in both the short and long term
- Give appropriate consideration for the environment in the goods and services we provide to customers.
- Work with partners and suppliers to encourage commitment and improvement in our local environment.
- Manage our activities to minimise the risk of pollution and contamination
- Use energy, water, materials and other natural resources as efficiently as possible, giving particular regard to the long-term sustainability of consumable items
- Comply with all statutory and regulatory requirements relevant to the industry

Our objectives will be achieved by:

- Establishing, implementing and maintaining an Environmental Management system certified to BS EN ISO 14001
- Setting and reviewing measurable environmental objectives and ensuring these objectives are met
- Training our employees to achieve and maintain high standards of environmental performance
- Providing adequate company infrastructure, resources and training, and ensuring responsibilities and authorities are determined and communicated throughout Russell Leisure Ltd
- Using products and processes to assist in reducing the environmental life cycle impacts of our activities and those of our clients and supply partners
- Reviewing the effectiveness of the Environmental Management system and assessing opportunities for its continual improvement
- Conducting management reviews and ensuring that all changes to the Quality Management system are implemented in a planned manner

This policy will be communicated to all employees and organisations working for or on our behalf. Employees and other organisations are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment. This policy will be reviewed annually by the Board and where deemed necessary will be amended and re-issued.
